So how's your, uh... partner been doing?
Bret? He's fine! He's actually with me now if you want to talk to him.

Um... sure. Could you do me a favor, though, and not, uh... kiss in front of me or anything?
Honestly, it still kind of weirds me out a little.
Whoa, whoa!

This is 2016, bro! You can't be like that!

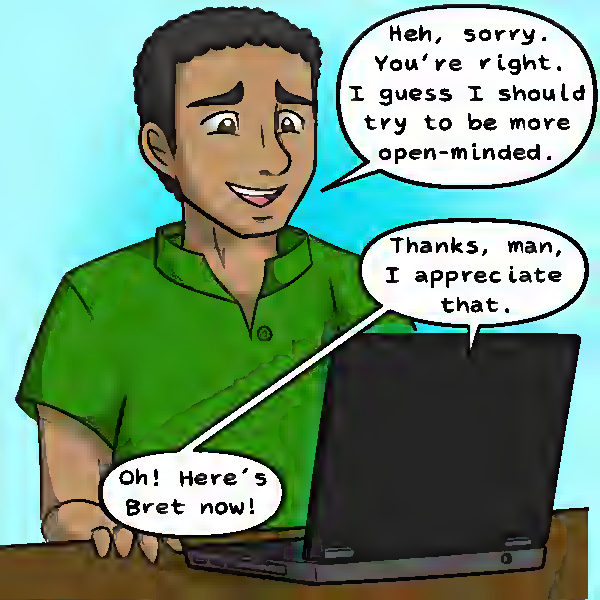
And Bret is still real sensitive about our relationship so you'd better not let him hear you spout that kind of nonsense.
You either support us or you don't, so what's it gonna be?



Heh, sorry. You're right. I guess I should try to be more open-minded.
Thanks, man, I appreciate that.
Oh! Here's Bret now!

Hey there, gorgeous.

Hey, sweetie.
And hello, Greg. It's nice to see you again.
